5 ANNEX IV – EVALUATION MODEL

The award criteria are the best price-quality ratio.

The proposals will be evaluated according to the factors, sub-factors and weightings described below:

Components	Weighting	Factors	Weighting	Indicator	Weighting
Technical	60%	Technical factor 1 – Experience in similar or almost similar services (Supply of Polishing Equipment)	10%	Has experience in providing similar or almost similar services. The Contracts must be annexed.	
		Technical factor 2 – Meet technical requirement (Specification)	30%	The submitted proposal must meet technical requirement (Specification).	
		Technical factor 3 – Delivery Time	15%	Provide the proper delivery time according to the duration of the service.	
		Technical Factor 4 – Guarantee period	5%	The company must give guarantee period to ensure that the products provided meet the agreed upon quality standards and specifications (ex: Guarantee for 1 Year or 6 months)	
Financial	40%	Financial factor 1 - Price	40%	The lowest price (price of proposal X) will automatically obtain 40% weight or 400 points.	

The factors are scored on a scale of 0 to 100 points.

Proposals are excluded if they score below 60 points in any of the factors.

The financial factor is only evaluated for proposals that are not excluded in the technical evaluation.

The overall score of the proposals will be equal to the sum of the scores of the factors, taking into account the weighting of each factor, obtained using the following formula:

$(\text{Technical factor 1} \times \dots\%) + (\text{Technical factor 2} \times \dots\%) + (\text{Technical factor 3} \times \dots\%) + (\text{Technical factor 4} \times \dots\%) + (\text{Financial factor 1} \times \dots\%) = \text{Overall score}$

Identification of the procedure:	SDC/52/IGTL/X/2024
Contracting authority:	Instituto de Geociências de Timor-Leste, Instituto Público (IGTL)
Object of the procedure:	Provision of Polishing Equipment for Polished Surfaces, Thin Sections and Polished Thin Sections

PART I
LEGAL CLAUSES

Clause 1

Terms of Reference and contract

1. These Terms of Reference comprise the clauses of the contract to be concluded following the procurement procedure for contractual object in accordance with the technical specifications contained in Part II of the Terms of Reference.
2. The contract to be concluded also includes the clarifications and rectifications relating to the specifications made by the contracting authority, the proposal awarded and the clarifications relating to the proposal made by the author of the proposal.

Clause 2

Contractual object

The contractual object is the Provision of Polishing Equipment for Polished Surfaces, Thin Sections and Polished Thin Sections.

Clause 3

Obligations of the private contractor

The private company shall provide Polishing equipment with the highest quality standards and specifications and ethical competence and integrity, considering their experience.

Clause 4

Obligations of the public contractor

The public contractor shall supervise the provision of services, ensure that the services are delivered according to the required terms of reference or specification, and execute the payment in a timely manner.

Clause 5

Place of execution of contractual services

Clause 5

Deadline for the execution of contractual services or the duration of the contract

The duration of the contract is 2 Months.

Clause 7

Payment

1. Upon completion of the services the selected firm shall submit a separate invoice to IGTL for each signed Purchase Order.
2. Payments shall be executed only if the selected firm has fulfilled all its contractual obligations by the date on which the invoice is submitted.
3. Payment will be made within 30 days after the completion of the service and received the invoice.

Clause 8

Guarantees

The guarantee is based on Articles 108 and 109:

- The performance bond is equivalent to 5% of the contract value.
- The quality deposit is equivalent to 5% of the contract value.

Clause 9

Intellectual property

1. Ownership of intellectual property rights over any works and materials developed, created, modified or customized by the private contractor for the public contractor or by the public contractor under the Contract, including in particular writings, reports, schemes, drawings, images, photographs, specifications, parameterizations, data in electronic format and tabulations, surveys and questionnaires, inventions, technical innovations, know-how, processes, techniques, research methods, documents or any other creations, of any nature or medium, belongs to the public contractor, with the agreed contract price being considered sufficient consideration for this.
2. With the acceptance of the goods, services and/or works which are the object of this contract, ownership of them is transferred to the public contractor, as well as of all the documents drawn up by the private contractor, and the public contractor may use, reproduce, alter and transfer them freely, without any restrictions and without the need for authorization from the private contractor.
3. The private contractor shall be liable for the infringement of any patent, design, license, project, trademark, name or any other intellectual, industrial or similar property rights relating to the goods, services or works covered by the contract, namely projects, studies, computer programs, equipment, materials, documentation or work carried out.

Clause 10

Confidentiality

1. The private contractor undertakes not to disclose any information and documentation, technical and non-technical, commercial or otherwise, of which it becomes aware under or in connection with the performance of the contract.

2. No document or data to which the private contractor has access, directly or indirectly, within the scope of the contract may be reproduced without the express written authorization of the public contractor.
3. The private contractor undertakes not to use the information obtained for purposes unrelated to the performance of the contract.
4. The duty of confidentiality shall remain in force after the termination of the obligations arising from the contract.
5. The duty of confidentiality does not apply to information and documentation which has been proven to be in the public domain, or which the private contractor is legally obliged to disclose by law, legal proceedings or at the request of regulatory authorities or other competent administrative bodies.

Clause 11

Termination of the contractual position

Without prejudice to the other situations provided for in the Legal Framework for Procurement, Public Contracting and the Respective Infringements, in the event of non-compliance with the contractual obligations by the private contractor, the public contractor may notify the private contractor to transfer its contractual position to a competitor ranked in a subsequent position, to be indicated by the public contractor.

Clause 12

Communications and notifications

1. The notifications and communications to be made within the scope of the contractual execution are made under the terms of article 18 of the Legal Framework for Procurement, Public Contracting and the Respective Infringements.
2. The parties' contact details are as follows:
