#### 4 ANNEX IV – EVALUATION MODEL

The award criteria are the best price-quality ratio.

The proposals will be evaluated according to the factors, sub-factors and weightings described below:

| Components | Weighting | Factors                                                                                                | Weighting | Indicator                                                                                                                                                            | Weighting |
|------------|-----------|--------------------------------------------------------------------------------------------------------|-----------|----------------------------------------------------------------------------------------------------------------------------------------------------------------------|-----------|
| Technical  | 60%       | Technical factor 1 – Experience in similar or almost similar services (Provision of Balance Equipment) | 15%       | Has experience in providing similar or almost similar services. The Contracts must be annexed.                                                                       |           |
|            |           | Technical factor 2 – Compliance to list Requirement (Specification)                                    | 25%       | The submitted proposal must comply with all the specification and criteria outlined in the terms of reference.                                                       |           |
|            |           | Technical factor 3 – Delivery Time                                                                     | 15%       | Provide the proper delivery time according to the duration of the service.                                                                                           |           |
|            |           | Technical Factor 4 – Guarantee period                                                                  | 5%        | The company must provide a guarantee period to ensure that the products comply with quality standards and specifications (e.g., a guarantee for 1 year or 6 months). |           |
| Financial  | 40%       | Financial factor 1 - Price                                                                             | 40%       | The lowest price (price of proposal X) will automatically obtain 40% weight or 400 points.                                                                           |           |

The factors are scored on a scale of 0 to 100 points.

Proposals are excluded if they score below 60 points in any of the factors.

The financial factor is only evaluated for proposals that are not excluded in the technical evaluation.

The overall score of the proposals will be equal to the sum of the scores of the factors, taking into account the weighting of each factor, obtained using the following formula:

$(\text{Technical factor 1} \times \dots\%) + (\text{Technical factor 2} \times \dots\%) + (\text{Technical factor 3} \times \dots\%) + (\text{Technical factor 4} \times \dots\%) + (\text{Financial factor 1} \times \dots\%) = \text{Overall score}$

## **Clause 6**

### **Deadline for the execution of contractual services or the duration of the contract**

The duration of the contract is 2 Months.

## **Clause 7**

### **Payment**

1. Upon completion of the services the selected firm shall submit a separate invoice to IGTL for each signed Purchase Order.
2. Payments shall be executed only if the selected firm has fulfilled all its contractual obligations by the date on which the invoice is submitted.
3. Payment will be made within 60 days after the completion of the service and received the invoice.

## **Clause 8**

### **Intellectual property**

1. Ownership of intellectual property rights over any works and materials developed, created, modified or customized by the private contractor for the public contractor or by the public contractor under the Contract, including in particular writings, reports, schemes, drawings, images, photographs, specifications, parameterizations, data in electronic format and tabulations, surveys and questionnaires, inventions, technical innovations, know-how, processes, techniques, research methods, documents or any other creations, of any nature or medium, belongs to the public contractor, with the agreed contract price being considered sufficient consideration for this.
2. With the acceptance of the goods, services and/or works which are the object of this contract, ownership of them is transferred to the public contractor, as well as of all the documents drawn up by the private contractor, and the public contractor may use, reproduce, alter and transfer them freely, without any restrictions and without the need for authorization from the private contractor.
3. The private contractor shall be liable for the infringement of any patent, design, license, project, trademark, name or any other intellectual, industrial or similar property rights relating to the goods, services or works covered by the contract, namely projects, studies, computer programs, equipment, materials, documentation or work carried out.

## **Clause 9**

### **Confidentiality**

1. The private contractor undertakes not to disclose any information and documentation, technical and non-technical, commercial or otherwise, of which it becomes aware under or in connection with the performance of the contract.
2. No document or data to which the private contractor has access, directly or indirectly, within the scope of the contract may be reproduced without the express written authorization of the public contractor.
3. The private contractor undertakes not to use the information obtained for purposes unrelated to the performance of the contract.
4. The duty of confidentiality shall remain in force after the termination of the obligations arising from the contract.
5. The duty of confidentiality does not apply to information and documentation which has been proven to be in the public domain, or which the private contractor is legally obliged to disclose by law, legal proceedings or at the request of regulatory authorities or other competent administrative bodies.

## **Clause 10**

### **Termination of the contractual position**

Without prejudice to the other situations provided for in the Legal Framework for Procurement, Public Contracting and the Respective Infringements, in the event of non-compliance with the contractual obligations by the private contractor, the public contractor may notify the private contractor to transfer its contractual position to a competitor ranked in a subsequent position, to be indicated by the public contractor.

## **Clause 11**

### **Communications and notifications**

1. The notifications and communications to be made within the scope of the contractual execution are made under the terms of article 18 of the Legal Framework for Procurement, Public Contracting and the Respective Infringements.
2. The parties' contact details are as follows:
